

The cigarette you can  
feel comfortable with. Enjoy.  
And stay with.

## THE MODERATE SMOKE

It's not strong. It's not weak.  
It's blended for the middle.

There are no excesses, except  
those in quality.

It has premium tasting tobaccos.  
Two advanced filter systems. And a  
thoughtful Humidor Pack. To keep  
your smokes fresher, longer.

Try the Moderate Smoke.
